VOL. 33 BARIUM SPRINGS, N. C., APRIL 1955 NO. 5

Meeting of Regents Scheduled For May

The annual spring meeting of the Board of Regents will be held at Barium Springs on Thursday, May 12. President W. E. Price has called a meeting of the Executive Committee for the night of May 11th. The Chairman of the Finance Committee, Mr. Tully D. Blair of Winston-Salem, has called a meeting of the Finance Committee for three o clock on Wednesday afternoon. Other committees will be in session at the call of various chairmen on Wednesday afternoon and Thursday morning. The members of the Board of Regents will be on the campus Wednesday and Thursday. In reviewing the report of the year's work the Regents will be particularly interested in the progress of the buildings that are being erected and the planning for their completion and furnishing. The budget for the new year will be prepared and the plans for renovation during the summer will be approved.

The report of the superintendent for the year will indicate the progress that has been made and the phases of special consideration that will concern the Board when it convenes.

Farm And Orchard Suffer In Freeze

The two years with peaches will have to be a thing to remember in 1955 because the entire peach crop is lost this year. The trees which had already bloomed suffered severly in the heavy freeze the latter part of March and even the trees themselves are damaged in some instances. Mr. Woodrow Clendenin, the orchard supervisor, reports that there will be about ten per cent of the regular apple crop in prospect.

In the matter of vegtables and gardens the early crops were cut back to the ground and replanting has been started. Peas and radishes were killed with the tomato plants and other things being severely nipped. Mr. Thomasson has had a hard blow in the beginning of his gardening for the spring and summer.

Alfalfa and wheat also suffered. Mr. J. F. Stinson, the farm supervisor, is still hopeful that the wheat has not been too severely damaged but fears quite a loss in his crop. The alfalfa was nipped quite heavily and a loss will be felt in the hay crop for the summer.

Barium has suffered a severe blow in this but does not in any sense feel the loss that was felt by others who depended solely and entirely on the fruit crops for their livelihood. It is the mind of the folk here to give thanks for the abundance that has been the Home's portion in days gone by and to anticipate the goodness of the Lord throughout the years to come.

Excerpts From Annual Reports

As the annual report from each department is made in preparation for the year's summary the whole of the work, sections have been taken out for this publication.

Infirmary

We have had a fairly busy year at the Infirmary. Beginning about December 15, 1954, we had one of our worst flu epidemics. It seemed to come out of nowhere and struck all ages of children from the Quads to the Baby Cottage. The worst of the epidemic continued into the new year—well into January. It became so severe that we were obliged to have extra help. Mrs Carl Malbouef, a nurse nearby, was kind enough to come and help us out at night as those of us here were all pretty well worn down at this point. We admitted to the Infirmary during this time 150 bed patients - to say nothing of those who came in from the outside. With the efficient help of Dr Griffin and Dr. Bonner, we had no serious complications or after effects.

During the past twelve months we have taken into the Infirmary 212 bed patients, averaging a stay of three days per person.

In the past year we have sent three of our older students to Davis Hospital for abdominal surgery. They were returned in good condition and are back to normal health. Also, we have had nine children for tonsilectomics, mostly in the younger groups.

From August to December, 1954, thirteen children were examined and fitted for glasses by Dr. Stewart at the Davis Hospital.

On January 27, 1955, Dr. MacLauchlin came to administer the annual physical check-up of all the children in the Home. They were well pleased to find most of the children in good physical condition after having gone through a serious epidemic. Most of the defects that the doctors found in various children have already been examined and treated.

Dr. William Smith Kirk of Salisbury, N. C. has been faithfully coming to the Home two days out of each week for almost two years to attend the dental needs of the children. The medical doctors in their check-ups were highly pleased with the quality of the dental work that had been done for the children by Dr. Kirk.

Annual Dinner Honors Cagers

Barium Springs paid honor to their high school boys and girls basketball squads of the past season at a steak dinner with all the trimmings in Rumple Hall.

The annual affair, attended by members of both junior and senior basketball teams at Barium Springs and members of the Barium family, plus friends from surrounding communities, drew approximately 150 persons to the campus dining hall for the dinner.

Following the delicious steak dinner, letters and certificates were presented to members of the squads.

Rev. Albert B. McClure, superintendent at Barium Springs, gave the invocation. Rev. Robert R. Collins, pastor of Little Joe's Presbyterian church on the Barium campus, presided over the informal activities as master of ceremonies following the dinner.

Mrs. Lee Spencer, piano teacher at Barium Springs, entertained the guests with a piano number and the presentation of awards and certificates followed.

Miss Eleanor Miller presented the awards to the junior girls basketball team which won two games, lost only one and tied two during their season. Members of the squad receiving the awards were Rachel Bass, Lillian Baucom, Ramona Blake, Judy Bolton, Edna Evans, Nancy Ferrell, Carol Harwell, Deanna Kiser, Aline Merritte, Peggie Sellers, Janet Woodall and Betty Wright.

John Wesley Ervin, member of the Iredell county board of commissioners, presented the awards to the junior boys team. The Barium juniors won two games, lost two and tied one during the season and represent some fine talent that will move on to the varsity squads in a few years.

Ervin presented the awards to Bobby Ray Bailey, Richard Blackburn, Jimmy Bunnell, George Cannon, Elmer Cox, Tom Finley, Bobby Frye, Harvey Hall, Kenneth Joyner, Melvin McKenzie and Randy Shaw.

Coach Archie Calhoun, who handled both the boys and girls varsity teams over the season's span, presented the awards to the varsity cagers. In his opening remarks, Calhoun pointed out that Barium Springs athletic teams, with the conclusion of the basketball season, finished the entire year's competition on the hardwoods and the gridiron without a single unsportsmanlike conduct incident being assess-

UNDER THE STEEPLE – Nuggets of News

From Little Joe's Church

By

Robert R. Collins, *Minister*

The congregation of Little Joe's Church joined with hundreds of other congregations across the Synod of North Carolina in a peroid of evangelistic emphasis and spiritual enrichment. During the week of March 20-25 we had the Reverend Irving G. Rudolph from Sheperdstown, West Va. as our guest minister. His messages were on a deep level of the Christian faith and did much to prepare our hearts for the approaching Easter season.

Following this week of revival services twenty-two young people of our church entered a communicants class and for the two weeks prior to Easter they studied the meaning of "Be coming A Member of the Presbyterian Church." As pastor of the church I know that teaching this class of boys and girls what it means to follow Jesus Christ and to accept him as Lord and Savior, was a high point in my ministry here. In presenting this group to the Session of the church for examination I was made aware again of the tremendous responsibility that rests upon all of us who are adults to set before them a Godly example so that they may ever see how to walk in the Light. The entire class was presented to the congregation of Little Joe's Church on Easter Sunday morning and made their public profession of faith before the people of God. Nineteen of the young people received the sacrament of baptism, and the names of the whole group which joined the church will be found in another article in this issue of the Messenger.

Easter Sunday evening was the occasion for a very meaningful and beautiful Easter service in Little Joe's Church. The Senior High Fellowship planned for this special program, which was under the leadership of Nancy Kyles and Miss Catherine Edgerton our choir director. The Easter message of the life, death, and resurrection of Christ was read from the Scriptue by Lawton Rice. A quintet composed of Ramona Blake, Bernice Kuykendall, Barbara McCall, and Miss Edgerton as featured soloist, presented the Easter music, accompanied by Mary Emma McClure at the piano. The sanctuary was filled with reverent worshippers for this impressive candelight service.

In speaking of the Christian life the writer of Hebrews admonishes his readers to "run with patience the race that is set before us..." And although not in the same context, we find ourselves in need of this advice as we eagerely await the completion of the new church building. Now that the work is truly in the finshing-up stages, we find it hard to be patient. It doesn't appear at this writing that we shall be able to have our baccalaureate in the new church, however, the dream that has long been in the heart of the people of the Synod of N. C. will soon be fulfilled as we begin our worship of Almighty God in this lovely sanctuary sometime this summer. As you follow the progress of the work until the date of completion we hope that you will make a special effort to offer thanks to God with us in the coming months.

By the time this paper reaches you I will have returned from the Synod of Virginia where I am to preach at Glass, Va. the week of April 17-22. During this week the ministers of North Carolina return the visit paid us by our Virginia brethren as we conduct evangelistic services across the great Synod. Pray with us that result of these services, both in N. C. and Va. may produce lasting good for the cause of Christ and his Kingdom throughout our General Assembly.

It is always fine to have visitors in our church and on the campus. A large group of folks from the First Presbyterian Chuch of Concord spent an afternoon with us last month, and our Pioneers thoroughly enjoyed the company at the Pioneer Fellowship from the First Presbyterian Church of Statesville when they joined us in a St Patrick's Day party. The Senior High Fellowship council and members are looking forward to the visit of a deputation team from the Presbyterian S. H. F. Council to guide us in strengthening our youth program. And so we move ahead, for in the work of Christ there is no arrival, we are ever required to move forward.

ANNUAL DINNER HONORS

(Continued From Page One)

ed to the Barium athletics. That is quite an honor for a teams to possess in this modern time and trend toward roughness.

Calhoun said "Barium did win this year with less material than in any previous year since he had been at Barium Springs." Barium placed two girls on all-conference teams and two more on all-state-in to while compiling a 12-2 record during the season.

Calhoun pointed out that the Barium girls will be without the services next season of seven seniors. He praised the girls team as one of the best groups of athletes he has ever worked with while coaching. Lena McLean was voted the honorary captain for the year and the team's most valuable player award following a poll of the players.

McLean, a Barium guard, was a standout all year on defense and is one of the best guards Barium Springs has produced. She made honorable mention on the all-state squad this season.

Calhoun presented letters and certificates to the following girls varsity members: Edna Baucom, Phoebe Cochrane, Betty Lou Johnson, Shirley Johnson, Joyce Kelley, Nancy Kyles, Barbara McCall, Shelby McEwen, Lena McLean and Delores Ramsey.

The Barium Springs coach termed the boys team "as the most amazing team I have ever coached." Barium's boys not expected to produce much of a squad this season, finished with a 7-7 record and won from five of the seven teams in Barium's South Piedmont conference schedule Only two lettermen were back with this year's squad.

Barium's basketball fortunes, boys that is, look good for next season. Only two seniors will be lost and four sophomores are on the squad.

Woodie Smith and Mirton Cox, both seniors, were presented with the boy's varsity top awards. Smith was voted as the captain of this year's team and Cox won the most valuable player award. Both boys were mainstays on the Barium squad during the past year.

Calhoun presented letters and certificates to Ernest Austin, Mirton Cox, Walter Plyler, Lawrence Ramey, Lawton Rice, Boyce Dean Smith, Ray Smith, Woodie Smith.

An informal dance was held in Johnston Gymnasium following the dinner.

My Eleven Years

By Lee Roy Norman

Looking back over the years, it is hard to realize that all eleven of them have really passed, although I must admit that my first ones did pass a little slow. I entered Barium in the summer of 1944, and started in the second grade that fall. Incidentally, I am the only boy who is left of the original second grade. If I were to divide my stay here into four groups I would head the groups like this: Admission, Education, Work, and Religion. Let us elaborate on each of these a little and perhaps I can show you something of my life here.

The one thing that everyone remembers about his first day here is the friendly attitude of the students. This was true in my case. It seemed like they were rolling out the red carpet for me. I realized later that this was the normal procedure. I have never regretted coming to Barium and I hope I never will.

The school at Barium is like any other school in North Carolina. The teachers are friendly and willing to help anybody at any time. I think that the topic of work at Barium might better be listed as trying to keep out of work. It seems that I was more successful in that than in regular work. I can boast, however, of working on the farm, orchard, dairy, truck farm, house and as a janitor in our Activities Building.

Religion at Barium is a must, thank goodness,. We enjoy church every Sunday and Wednesday and our Fellowship meetings on Sunday nights. I only wish that I had eleven more years to worship here in our new church.

Yes, to me Barium is a wonderful experience. It has helped me in many ways to better myself for life in the future. It has strengthened my confidence in people and also in myself. It has enabled me to meet God and to center my early life around a Christian group and environment. I shall always be indebted to Barium for what it has done for me. If it were possible I would mention all those who have been connected with my eleven years here, but I could not begin to do this.

Getting ready to leave, I look forward to hard work and success. I realize that there is no limit to the height of success, that you can always climb higher; I realize also that to do this you must have faith, faith in God and in your fellowmen.

Finally, I would like to wish all my classmates the best of luck and urge them not to forget Barium Springs and what it has done for us.

EXERPTS FROM ANNUAL

(Continued From Page One)

All of us who have been privileged to assist him have found him very agreeable and pleasant to work with and I feel that his services here have been of untold value to the children.

Dairy

During the past year we have produced and sold 237, 367 pounds of milk for a total of $13,235.89.

We have fed a total of 52 tons ground feed and 114 tons of hay which has been a mixture of aifalfa, ladino clover, and orchard grass and some lespedeza. We also put up 100 tons silage of which we lost about one-third.

We have taken in approximately ten more acres in our pasture which we hope to get cleaned up and sown to permanent pasture this fall. We have also cut out about half of our boundary which was no good for pasture and about twenty acres of this has been planted in pines.

Through gifts from different churches and individuals we have received fourteen Hereford and eleven Black Angus beef cattle, also two milk cows. We traded six Black Angus and Holstein crosses for five Holstein heifers. We now have eleven heifers that will come in the milking barn next year. We have one registered heifer which the boys fitted and showed this year. They entered three shows. including the State Fair, and won two blue and one red ribbon and a total of $39.00 in prizes. I think they did a real good job and they are looking forward to showing her again this next year.

I have seventeen sixth and seventh grade boys who help milk and look after the cattle and calves. They seem to enjoy their work. About all they can get done during school is the milking and feeding, but when school is out we will be busy repairing and building fences, also helping to put the hay in the barns for winter feeding.

We butchered eighteen head of cattle for the dining room this year which dressed 12,112 pounds, and we now have twelve head in the beef pen. We have fifty-one head in the beef herd, including some we have raised that are growing out. We have fifty-three head in the dairy herd, cows and heifers combined, with thirty-five milking cows-a total of 116 head.

Quads

For almost twenty-two months I have been writing the Quads News, now I write my last article, I feel a little regretful at having to leave this job, however, I am leaving it in good hands. In the next twelve months you will have the pleasure of reading Jim Campbells' column of the Quad's News. Jim is a rising senior, weighs two hundred pounds and is six feet, two inches tall. In other words, he is a big hunk of nothing. His assistant will be Ernest Austin, Bariums' future allstate tackle. Be sure to keep a lookout for their news in the future.

By watching the five senior boys go about their daily work, you can be sure that graduation is on its way. Only yestreday Mirton Cox dropped a piano on his foot; David T. pulled a "jim"; Woodie and Frankie S. almost forgot to come home from their week-end trip; I accidentally dropped a match that almost had the football field in flame. Yes, we're getting a little nervous. I think the "Home" would profit by locking us up until the big day arrived.

Our church is coming along nicely. We still have our fingers crossed in hopes that it will be ready for us to use on the fifteenth of May.

Well, I guess I'll sign off for now, before I go, however, I would like to wish all my classmates the best of luck in the future.

Infirmary

Here we are back with a little "Hospital News". We've not had too many patients here lately with the exception of Jackie Taylor. She had her appendix removed and stayed with us a few days afterwards. We also helped her celebrate her birthday with a cake some friends made for her. Randy Shaw broke his ankle and he was with us awhile.

We had the basketball banquet last Friday night. Two of our girls received letters. They were Shelby and Shirley. Janet got one from the junior team. We are all planning on being on the varsity again next year.

We had a very well prepared supper and our music teacher, Mrs. Lee Spencer, played the piano for our entertainment. Mrs. McLuen opened the gymnasium afterward and we danced.

The Piano Recital was last Tuesday and three of our girls took part in it, Shirley, Shirley, and Janet We were scared to death before we played but we lived through it all, and you'll be hearing from us next month at about this same time.

Womans Building

Baseball season is here again and if you don't watch your step, you will likely be hit with a ball. Our faculty has scraped up a team which plans to defeat the high school girls' team, but we think differently.

Today we got report cards. We had about 10 out of 19 on the honor roll.

This morning we had a play presented by the senior class—"Arthur Graham Cracker and His Crumbs". They had Libermunchy and Mandy Griffith.

Piano recital was Tuesday night. We all enjoyed that very much. Tuesday, a week ago, we had the Basketball Banquet. Almost everyone over here got to go. We had a wonderful time with dancing at the gym after the banquet.

Synod Cottges

Hi Folks,

Sorry we missed last time but hope we will be able to make it up this time.

The main talk around the Cottage now is about Easter eggs and bunnies. Yesterday the second and third grades went to the spring and had an egg hunt. They stayed down there about all afternoon. When they came back we thought for sure they would be tired of it. But all we've heard all day is, "Where can we have another egg hunt?"

We got our report cards Thursday and we are happy to say we had ten boys on the honor roll this time. They are: Larry Joyner, Charles Allen, Clyde Mace, Tommy Bush, Kenneth Ustman, Larry Wilkins, Jimmy Gregory, Richard Hicks, Bill Finley, ,and Charles Ford. We are real proud of them and hope we can do as well next time.
